

Personal Petting Zoo

WHAT YOU'LL NEED

- Pom-poms/craft puffballs
- Tacky glue (do NOT use hot glue - too easy for someone to be burnt)
- Googly eyes (these can be eaten, so use with discretion based on your care partner's awareness)
- Pipe cleaners
- Glitter, stickers, any other decorations! (optional)

Personal Petting Zoo

INSTRUCTIONS

1. Choose an animal. Make sure to ask your care partner about his/her favorite animals and about pets he/she owned in the past.
2. Glue pom-poms together to form the basic shape of the animal (1 for head, 1+ for body)
3. Add pipe cleaners for legs, wings, whiskers, etc. Add googly eyes.
4. Add decorations if you have them!
